O Allah, I intend with this prayer upon the Prophet, our master Muhammad, may Allah send prayers and peace upon him, in obedience to Your command, in confirmation of Your Book, in following Your Prophet, our master Muhammad, may Allah send prayers and peace upon him, out of love for him and longing for him, out of reverence for his right and in honour of him, and because he is truly worthy of that. So accept it, O Allah, by Your grace, generosity, nobility, and kindness. Remove the veil of heedlessness from my heart, and make me among Your righteous slaves.
O Allah, increase him in honour beyond the honour You have already granted him, in might beyond the might You have given him, and in light beyond the light from which You created him. Raise his rank among the ranks of the Messengers, and elevate his degree among the degrees of the Prophets. And I ask You for Your pleasure and Paradise, and for his pleasure, O Lord of the Worlds, along with lasting well-being in religion, in this world, and in the Hereafter, and death upon the Book, the Sunnah, and the community, and upon the declaration of faith in its full realisation, without alteration or change. Forgive me for what I have committed, through Your grace and kindness towards me. Indeed, You are the Ever-Accepting of Repentance, the Most Merciful. And may Allah send prayers and peace upon our master Muhammad, his Family, his Companions, and all those who follow them. And all praise is due to Allah, Lord of the Worlds.

﴿إِنَّ ٱللَّهَ وَمَلَٰٓئِكَتَهُۥ يُصَلُّونَ عَلَى ٱلنَّبِيِّۚ يَٰٓأَيُّهَا ٱلَّذِينَ ءَامَنُواْ صَلُّواْ عَلَيْهِ وَسَلِّمُواْ تَسْلِيمًا ۝﴾

﴿Inna Llāha wa-malā'ikatahu yuṣallūna ʿalā n-nabiyyi yā ayyuha lladhīna āmanū ṣallū ʿalayhi wa-sallimū taslīmā﴾.

“Indeed, Allah and His Angels send prayers upon the Prophet. O you who believe, send prayers upon him and greet him with peace.” (33:56)
